I still think flexibility in the system remote is key It certainly is for me as it is the only one I will use most of the time.

Yes Dune have failed to release the expansion cards for the Duo etc players So at least some of your features that make the HTPC better could be levelled out a little Mark.. Nov 29, 2014 Went from media players to XBMC back to media players for three.. I thought I'd summarise my experience to date which may be helpful to others contemplating doing something similar.. Tablet Apps - With Dune you can use the free DMC for Android to fully control the Dune player and display the video wall.. Free download Install Xbmc On Dune Hd programs RC applications allows you to control your Dune HD media player.

MKV Playback - I have use of FF/Rew in all my MKV's made with MakeMKV so I'm not sure what your issue is - I seem to remember going through this issue in another thread.. Mark All good points Going from Zappiti to e g Yardis is not an insignficant move regarding set-up and not a 5 min job.. Media Servers & Content Streaming > Is Dune now Finished Dune HD SOLO 4K Media Player. [Download Trailer Titanfall](#)

 Are you a true Kodi/XBMC fan? If rich media library, appealing interface, and blockbuster hit shows are that, you are looking for.. If you bought the Zappiti Player then I believe the iOS app is free Remote Options - the Dune can be fully controlled over IP, so you can use a tablet, phone etc to control the player. I regard tablet phone apps more as playback control and an add-on to your primary system remote.. Can I use/install Xbmc on Dune HD Blu-ray & HD DVD Gaming & Content Media Servers & Content Streaming > Is XBMC ever going to come to Dune players?? I don't think you can install XBMC on the.. But wouldn't it be more fair to compare the skins vs Zappiti, Yadis, My Movies, DFI etc as they offer a varied range of 'skins' for the Dune.. Here are the best Kodi alternatives, which will take your on-

demand entertainment experience to whole next level.. A few points I would say are worth mentioning UI - you compare XBMC to Zappiti and say XBMC wins due to the range of skins.. Install Hd Player FreeThere is a patch for the Dune to enable forced subs in an MKV - 3D BR Playback - to be fair the HD Duo you have is an older generation player and a new Base 3D would play the full 3D BR rips.. Dune Hd Media PlayerI would equate that more like changing from XBMC to Plex The point I'm trying to make is that you can drastically alter the appearance of XBMC and it is a 2 min job.. Install Hd Player FreeDune Hd Media PlayerHaving got fed up of waiting the new all singing and dancing Dune HD Max 3D, I decided to go down the HTPC route which I've been setting up over the last few months.. HD TV Playback - to be fair you can't compare a modular system such as an HTPC to a fixed spec media player with limited (if any) upgrade options. e828bfe731 [cbr reader for mac](#)
